RE: Getty Mineral Resources Co.
Mercur Canyon Project
ACT/045/013
Tooele County, Utah

Dear Mr. Tetting:

I have completed my review of the information sent under your letter of March 23, 1981. Both the sedimentation dam and tailings dam must be submitted for review and approval by the State Engineer. Accompanying the construction plans and specifications should be sufficient design data to explain the recommended construction.

Attached are the plates you requested returned.

Sincerely,

Robert L. Morgan
Directing Dam Safety Engineer
